 - Governors: Daisy, Alfie and Louis reported to the governors and it was a useful chance to share ideas
 - Website: the School Council page of the website is now up-and-running
 - Display board: Lily and Jonty helped Mr Snowdon with the new School Council/RRSA board, but it still needs some more work

We agreed that for the Sponsored Walk we would like pupils in each year group to vote on their preferred charity.

- 6) Food. The food sub-group took in suggestions from other School Council members and discussed which they think are the top priorities. They have produced a Top 5 list of ideas.
- 7) Toilets. The toilets sub-group collated ideas and agreed their top 5 suggestions for improvements.
- 8) School Charter. The Charter sub-group drew up a list of ways in which the 5 points of the Charter can be implemented by the school and by pupils, to make it more practical and relevant.
- 9) Website. The website sub-group wrote a report about School Council for the school site.

The next School Council meeting will be in the Library on Friday 2 March, lesson one.
