

Ovingham Middle School

'Opportunity, Motivation & Success'

Interactive Open Evening

Tuesday 18th September

5.00-6.30pm

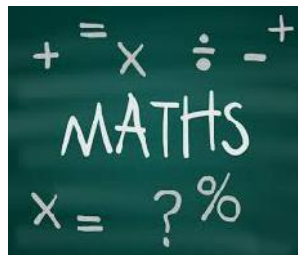

An opportunity for Year 4 pupils and their parents to come along and experience the vibrant, innovative and challenging learning environment of our school.

Relax in our French Café, then explore the activities on offer.

Visit the Science lab and experience balloon kebabs, dancing raisins, egg squeezing challenge, magnificent mucus and making a tornado.

Take part in Maths Mania!

Experience the Art room and help build a giant model of The Thing. See our Dalek and other Dr Who characters including our own TARDIS!

See our fantastic Food Technology room with food demonstration taking place.

How tall can you build a structure using spaghetti and marshmallow in our Design Technology room.

Visit our ICT suite and try your hand at programming.

and MUCH more!
