National Centre for Children's Books

Dear Parent or Guardian

## Author event in your child's school!

Seven Stories are bringing a special author event into your school! Don't miss this opportunity for your child to take home a special signed edition of the book.

### Monday 8<sup>th</sup> October – Mysteries with Robin Stevens

To celebrate the publication of her new book, *Death in the Spotlight*, **Robin Stevens** will be at your school talking about her books and being an author!

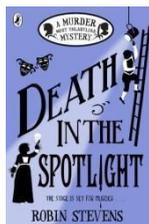

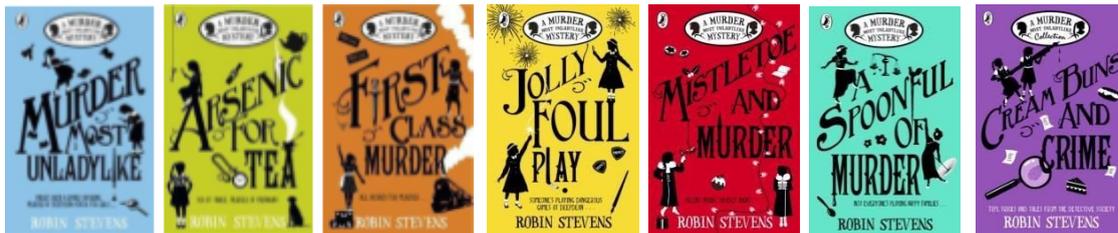

Pupils will discover what makes a great detective before helping create and solve a mystery of their very own with Robin Stevens, author of the Murder Most Unladylike series. Winner of the Waterstones Children's Book Prize in the younger fiction category, Robin also shares the inspiration behind her detective duo, Daisy Wells and Hazel Wong and tells us why she is so fascinated with murder mysteries.

Children will have the opportunity to buy one of Robin's books and for their book to be personally signed by Robin at this event.

We look forward to your event, it promises to be an exciting and inspiring day!

Many thanks,

Seven Stories

Fresh from their adventure in Hong Kong, Hazel Wong and Daisy Wells are off to the Rue Theatre in London to face an entirely new challenge: acting. But danger has a nasty habit of catching up with the Detective Society, and it soon becomes clear that there is trouble afoot at the Rue. Jealousy, threats and horrible pranks quickly spiral out of control - and then a body is found. Now Hazel and Daisy must take centre stage and solve the crime . . . before the murderer strikes again.
