

Opportunity, Motivation & Success

Ovingham Middle School

Ovingham, Prudhoe, Northumberland, NE42 6DE

Headteacher: Mr A Bennett

17th September 2018

Dear Parent

As we enter the third week of Autumn term, I thought now would be a good time to get in touch and let you know how well the new Year 5 pupils are settling in. I have had lots of praise sent in my direction from many different members of staff, who have been impressed by the children's attitude and settled approach to their new environment.

They are getting to grips with lesson changeovers, a new system in the dining room and all the logistical difficulties that a new school brings- you'd think they had been here forever!

Thank you for supporting them in these initial weeks; please continue to sign diaries, hear your children read and gently remind them about homework. All of this helps establish routines from the start, and for that we are grateful.

As always, if you have any queries, don't hesitate to get in touch.

Kind regards

Mrs Colwell and the Year 5 Team
