

# Ovingham Middle School Sport

## Sports Results – week beginning 27/1/20

- Last Friday saw 4 of our KS3 teams attend the Northumberland School Games Indoor Athletics qualifier at PCHS. The teams competed in a range of track and field events. All 4 teams won, and have now progressed to the county finals in March. Well done all.
- On Tuesday 30 KS2 Children attended a Badminton event at PCHS. It was a fantastically ran event and all our children had a great afternoon learning and trying new badminton skills.
- On Wednesday, 4 of our girls netball teams had fixtures against Mowden Hall. Each girl was a credit to their schools, playing some great netball in some pretty awful conditions. We thank Mowden, for hosting our KS2 girls and we hope Mowden's KS3 teams enjoyed their OMS visit. Well done girls!

Please could all PE Kit be labelled with your child's name. We have a growing number of kit going missing each week.

**A massive well done to our U13 Girls who have advanced to the last 8 of the ESFA National cup!! The girls were absolutely superb throughout, with OMS leading 2-1 at half time with both goals from Rose. The opposition equalised to take the game into extra time. After a short corner with some excellent quick thinking by Rose and Emily, the ball was crossed in for Lily to score the winner. Girls, you have done everybody at the school proud! We are eagerly anticipating the next round draw.**
