Transition Day Tasks

Dear Year 4,

We are really looking forward to meeting you all in September and we hope that you are enjoying your final few weeks as Year 4s.

As we are unable to have our Transition Day this year, we wanted to provide you with some activities to complete so that we can learn a little more about you. These are some of the activities that you would have been completing on Transition Day at your new middle school.

There are two tasks that we would like you to complete:

Task 1: Personality Portraits

Complete a creative artwork of your face to tell us more about you as a person.

Task 2: All About Me

Let us know more about you by completing the cartoon style introduction page.

Once you have completed your work, we would like you to either send it to year4transitions_ovingham@tcltrust.org or bring it with you on your first day at Ovingham Middle School on Wednesday 2nd September. We would love to see your completed work and we would like to make a display out of it in your new classrooms.

If you want to find out more about Ovingham, the teachers, the school and what it is like, please have a look on our website where you will find lots of information and some short videos that we have prepared for you. These are under the 'parents/carers' tab, then under 'Year 4 transition'.

If you require a paper copy of the resources please contact the school office. You can also download the resources directly from our school website. Please get in touch with us if you have any questions or if you are unsure about anything.

Take care and stay safe

The Year 5 Team
