Dear Parent / Carer

Please find attached documentation and a message from Northumberland County Council regarding arrangements for home to school transport from September.

"Please find attached guidance and information for parents and carers whose children will be using the Council's Home to School Transport Service when they return in September. Read the guidance carefully and discuss the requirements within the letter with your child. Also enclosed is a guidance sheet for students travelling on home to school transport; please encourage your child to read this carefully where they are able to, or discuss the requirements within it with younger children. Thank you in advance for your assistance."
